

With leaves  
*softly* falling,  
What better time than **FALL**  
to train in  
**M i c r o S O F T ?**

When it comes to increasing knowledge,  
training from the **State of Vermont** can help you  
make everything '*fall into place*'.

"I think there is a world market for maybe five computers."

*Thomas Watson, Chairman of IBM, 1943*

In 2009 we all know Mr. Watson was wrong.

Over 1 billion personal computers are in use world-wide!

Who uses computers? Everyone.

In thousands of occupations, in thousands of places.

The majority of computer users need to have knowledge in Microsoft programs such as Office, Outlook, Excel, Word, PowerPoint, or Access.

Fall into learning Microsoft programs by  
Training & Gaining Knowledge@Work®.
